

**FROM THE ADMINISTRATOR'S DESK**

The teachers and administration are very excited about the coming year and we look forward to seeing everyone in the fall. Painting, cleaning, and maintenance is happening all over campus. New technology and curriculum is being added and updated. Teachers are getting additional training this summer and preparing hard for the coming year. Stop by and see what we are working on.

Please note we will be reestablishing athletic fees for the 2024/2025 school year. The TFC sports program is an important part of student life and a critical avenue to establish and build Godly character. Sports teaches lessons only learned through trials, victories, and hard work in athletics. Fees for the coming year will be \$40 for TFC students and \$50 for home school participants, per sport and paid before the individual season begins. The cost of the sports program at TFC exceeded \$30k in 2023/2024. This small fee will account for less than 1% of our projected costs in 2024/2025. Thank you for your understanding.
